

WELCOME MESSAGE

Dear Colleagues and Friends,

It's my great honor and pleasure to extend our warm invitation to you on behalf of the Organizing Committee of the 2019 WFNS Special World Congress hosted by the the Chinese Medical Doctor Association September 9-12, 2019 in Beijing, China under the auspices of the World Federation of Neurosurgical Societies (WFNS).

Founded in 1955, The WFNS is a professional and scientific non-governmental organization comprised of 130 members including 5 continental associations, 119 national or regional neurosurgical societies and 6 affiliate

societies. WFNS is the highest academic organization of neurosurgery and the family of all neurosurgeons around the world. The WFNS Congress plays an important role in enhancing medical technology, strengthening academic exchanges and promoting collaborative research and exploration in neurosurgery and related disciplines.

There is an old saying in China: the help with a drop of water will be returned with a spewing spring. 2019 WFNS Special World Congress is not only a platform for development and exchanges in the world neurosurgery but also an opportunity to return our appreciation to colleagues and friends who have helped and supported us, not only for serious academic discussions but also for unforgettable social events. We invite all of you to enjoy a personal experience in Chinese traditional culture full of charm and unique beauty and visit Beijing and its people to see the vast change from an ancient capital to a modern metropolis.

Now all preparations are well on track in an orderly manner. Beijing is about to get ready for you all. We sincerely look forward to welcoming you in Beijing in the colorful autumn of 2019.

Prof. Ling Feng

President of 2019 WFNS Special World Congress
