  - Guided Tour of Rabat
CITY OF RABAT

Rabat, capital of the Moroccan Kingdom, is a modern city that has nonetheless preserved all its authenticity; a city where tranquility and discretion go hand in hand with sophistication and good living. A beautiful city justifiably proud of its heritage.

It is the country’s political and administrative center and the seat of the government, containing the royal palace and the embassies of the kingdom, and the many fine and ancient edifices, witness of a history reaching back into antiquity.

• Rabat is only half an hour from Rabat-Salé international airport.
• Our currency is the Moroccan Dirham (1Eur=11dirhams)
• Morocco is in the GMT time Zone
• Weather in March is rather warm, temperatures vary between 15 and 22 degrees.
• Spoken languages: Arabic, French, English, Spanish
