THE "GOLD STANDARD" FOR ANEURYSM TREATMENT

How can a surgeon be sure that the instruments he is using for lifesaving aneurysm surgery deserve the trust his patients place in him?

The evidence is based in the development of the clip design by Prof. Gazi M. Yasargil.

Decades of intensive cooperation with other leading neurosurgeons all over the world form the foundation for Aesculap’s technical and scientific experience.

The surgical treatment of cerebral aneurysms will continue to represent an important and indispensable therapy option into the future.

Through further innovation and development of the YASARGIL® Aneurysm Clip system, Aesculap will continue to offer implants and instruments of high quality for our customers and their patients.

INDICATIONS FOR USE:

The YASARGIL Aneurysm clips are intended for occlusion of cerebral aneurysms in either a temporary or permanent manner. They are applied with Aesculap clip appliers, which contain titanium alloy or phynox jaws.

See Instructions for Use for additional information including Warnings and Precautions.

Rx Only.

- QUALITY LEADER
  Manufactured in Aesculap’s state-of-the-art production facility in Tuttlingen, Germany to ensure Aesculap quality standards.

- TRUSTED EXPERIENCE
  Since their introduction, over 2 million clips have been implanted by thousands of neurosurgeons in more than 80 countries. A milestone in the history of neurosurgery.

- EDUCATION COMMITMENT
  The Aesculap Academy provides professional development and training courses in over 40 countries, with a world-wide reputation as a leading forum for medical training.

- EXCELLENT PERFORMANCE
  Strong clinical outcomes make YASARGIL Aneurysm Clips the #1 choice of cerebrovascular neurosurgeons worldwide.

THE "GOLD STANDARD" FOR ANEURYSM TREATMENT
Feedback from the instructors and the recent patient of yours. You will get a meeting. This should be a current or recent case to present at the course. Please bring a case to present at the meeting. This should be a current or recent case to present at the course.

TO REGISTER:
October 6-7, 2017:
Visit: http://aesculap.event.com/BNI
For questions regarding registration contact Janet Mahaffey at 800.258.1946, Ext. 5223 or Janet.Mahaffey@aesculap.com.

INTENDED AUDIENCE
Attendance at this course is limited to the first 80 registrants. Registrations are on a first-come, first-serve basis.

AESCULAP ACADEMY TRAINING AND EDUCATION PROGRAM
The Aesculap Academy recognizes the importance of its relationship and collaboration with healthcare professionals. Therefore, this educational activity is designed to comply with the Advamed Code of Ethics as well as all applicable state and federal laws pertaining to interactions with healthcare professionals.

DISCLAIMER
Participants must always use their own judgment and professional opinion when considering future application of this information, particularly as it may relate to patient diagnostic or treatment decisions.

ADA STATEMENT
The Aesculap Academy staff is available to assist you with any special needs (i.e. physical, dietary, etc.) Please contact Janet Mahaffey at 800.258.1946, Ext. 5223.

EDUCATION PROGRAM
AESCULAP ACADEMY TRAINING AND EDUCATION PROGRAM
The Academy offers courses at our facilities at locations listed below:

Embassy Suites by Hilton Phoenix Downtown North
10 East Thomas Road
Phoenix AZ 85012 | USA
Room Rate: $199/night plus all applicable fees and taxes.
Fairfield Inn & Suites Phoenix Midtown
2520 N. Central Avenue
Phoenix AZ 85004 | USA
Room Rate: $195/night plus all applicable fees and taxes.
Hampton Inn Phoenix Midtown
160 W. Catalina Drive
Phoenix AZ 85013 | USA
Room Rate: $189/night plus all applicable fees and taxes.

LUNCH AND COURSE DINNER
Lunch is served daily at the facility. The course dinner takes place on Tuesday, February 20th. Additional fees apply for non-participants.

CANCELLATION TERMS
Your registration will not be valid and confirmed until your course fees have been received. Registration fee, less a 5% processing fee, is refunded if written notice of registration cancellation is received fifteen (15) or more days in advance of the course date. Participant refunds are made within thirty days of the scheduled course date. Cancellations made less than fifteen days in advance of the course date forfeit the entire tuition fee, unless a justifiable emergency is documented. Tuition fees can be transferred to another individual.
**PROGRAM**

**COURSE OVERVIEW**

Moved after the Helsinki course, this will showcase approaches and microsurgical techniques in live operations on various lesions (aneurysms, AVMs, cavernous malformation, extrinsic and intrinsic tumors and ECIC bypass surgery).

During the course, there will be 4-6 operations per day. Professors will discuss the cases and present microsurgical videos between and after the operations. The operative schedule runs every day from 8:00 am to approximately 4:00 pm followed by case discussions and lectures.

Please bring a case to present at the meeting. This should be a current or recent patient of yours. You will get feedback from the instructors and the participants about how they might approach the case.

THE “GOLD STANDARD” FOR ANEURYSM TREATMENT

How can a surgeon be sure that the instruments he is using for lifesaving aneurysm surgery deserve the trust his patients place in him? The evidence is based in the development of the clip design by Prof. Gazi M. Yasargil. Decades of intensive cooperation with other leading neurosurgeons all over the world form the foundation for Aesculap’s technical and scientific experience.

The surgical treatment of cerebral aneurysms will continue to represent an important and indispensable therapy option into the future. Through further innovation and development of the YASARGIL® Aneurysm Clip system, Aesculap will continue to offer implants and instruments of high quality for our customers and their patients.

INDICATIONS FOR USE:
The YASARGIL Aneurysm clips are intended for occlusion of cerebral aneurysms in either a temporary or permanent manner. They are applied with Aesculap clip appliers, which contain titanium alloy or phynox jaws. See Instructions for Use for additional information including Warnings and Precautions.

Rx Only.
- QUALITY LEADER
  Manufactured in Aesculap’s state-of-the-art production facility in Tuttlingen, Germany to ensure Aesculap quality standards.
- TRUSTED EXPERIENCE
  Since their introduction, over 2 million clips have been implanted by thousands of neurosurgeons in more than 80 countries. A milestone in the history of neurosurgery.
- EDUCATION COMMITMENT
  The Aesculap Academy® provides professional development and training courses in over 40 countries, with a world-wide reputation as a leading forum for medical training.
- EXCELLENT PERFORMANCE
  Strong clinical outcomes make YASARGIL Aneurysm Clips the #1 choice of cerebrovascular neurosurgeons worldwide.

The Aesculap Academy is one of the leading medical forums for everyone who is professionally, passionately and ambitiously committed to people’s health. To those medical professionals we offer top quality knowledge transfer based on globally recognized quality criteria using innovative methods and technologies.

DEDICATED TO LIFE.

The Aesculap Academy has its roots in the company B. Braun, which has been protecting and improving people’s health for more than 175 years. With our courses, hands-on trainings and symposia we help to honor our parent company’s promise of SHARING EXPERTISE.

The courses at the Aesculap Academy offer participants who want to continue to learn in an inspiring environment knowledge transfer and teaching that are adapted to real life: lifelong learning, true-to-life training situations and realistic content for a better life for patients and medical staff.
